i. Any other factors, please specify

3. **Self-Ascribed Attributes:** Kindly rate your Intellectual Skills on a five-point scale

		Weak - Strong				
1	Listening					
2	Reading					
3	Writing					
4	Oral Communication					
5	Computer Literacy					
6	Mathematical Skills					
7	Programming Skills					
8	Analytical Skills					
9	Logical and Reasoning					
10	Creativity					
11	Team Player					

4. **Desired Credentials:** Kindly specify your educational goal

		Weak - Strong				
No.	Goals	1	2	3	4	5
1	Bachelor's Degree (U. G.)					
2	To pursue P. G. in Engineering and Technology					
3	To pursue M. B. A (Business Administration)					
4	To pursue Ph. D. (Research Degree)					
5	To pursue professional degree for interest					
6	To become entrepreneur in the chosen branch of Engg.					
Any other credentials, please specify						
1						
2						
3						
4						

5. **Activities of Interest:** Kindly specify your field of interest and expertise (Non-academic)

		Weak - Strong				
No.	Goals	1	2	3	4	5
1	Sports and Games					
2	Community Engagement					
3	Clubs and Societies (NSS)					
4	Music					
5	Participation in Cultural Fests, Music and Fine Arts					
6	Writing Novels, Stories, Film Making					
7	Good at Creative Design like Photoshop, Maya etc..					
Any other interests						
1						
2						
3						
4						

6. List out three-five core companies in your core domain

No.	Name of the Company
1	
2	
3	
4	
5	

7. List out your dream companies (Max. three) where you want to get placed

No.	Name of the Company
1	
2	
3	

8. Who is your role model? Specify one person who have inspired you to choose Engineering

   a.

9. Are you interested in self learning taking minimum guidance from your teachers?

   Yes | No

10. In general, what you want to achieve in life? Describe in 50 words.
