7 Guidelines for Question Paper Setters

- a. Question Paper Setters are required to keep their appointments strictly confidential
- b. Question papers will be sent to the question paper setters by password protected email abbreviations of any kind shall be avoided. Special care must be taken in the delineation of mathematical signs and index figures
- c. Each question paper must follow the directions as given in the model question paper provided. No explanation questions are to be given in Part-A. Part-B can have the choice of either or from each unit. In Part-B, Same Bloom's Taxonomy level should be followed (for example if question number 6 is of L2 level then question number 7 also should be of L2 level). Questions in Part-B can have maximum of two sub divisions (a and b) or a direct question. The marks assigned to each question shall be noted against the concerned question on the question papers. Marks for sub-divisions of questions shall also be indicated
- d. Any special instructions needed like use of graph sheets, tables, etc. may be mentioned
- e. The paper setter shall not sign his/her name or put his/her initials on any part of the sheets on which the questions are written
- f. Questions must be set within the prescribed syllabus and evenly distributed over the whole course. Question paper setters shall preserve the strictest secrecy with regard to copies of text books or notes or extracts used in setting question papers, and drafts or copies of question papers shall be kept with the same care and secrecy as question papers themselves. These papers shall be destroyed as soon as the question papers are finally prepared and sent to the office of the controller of the examinations. All the soft copies of the draft and question papers shall be deleted from the computer after submitting the same to the office of the controller of the examinations
