

HOD Message

Electrical and Electronics Engineering, one of the core engineering branches, is the most sought after branch even by the toppers and higher rank holders at the time of admissions in IITs, NITs, Government and private engineering colleges.

Our department has a team of qualified faculty and we are striving hard continuously to improve upon the quality of education and to maintain its position of leadership in engineering and technology. We always work with the motto "Nothing can be achieved without genuine effort". The core values of the department help the students to develop their overall personality and make them worthy technocrat to compete and work at global level.

**Department Profile**

The Department of Electrical and Electronics Engineering was formed in the year 2008. The department has started various programmes with an initial intake of B.Tech 60 in the year 2008, M.Tech(Power Systems Control and Automation) 24 in the year 2014. The department has qualified teaching staff with 2 Ph.Ds and 9 M.Tech's. The faculty members are involved in research activities and published/presented papers in national and international journals and conferences.

The growth and progress of Medium and large scale Industries depend upon the expertise provided by the Specialists. With rapid Industrial growth in the Country the requirement of electrical engineers has tremendously increased in Power Sector and Industries in private, PSUs and Government companies. It resulted in opening of enormous opportunities for graduate Electrical Engineers.

Vision

To be a hub for imparting knowledge, skills and behaviour for exemplary contributions in the field of Electrical & Electronics Engineering

Mission

1. To impart technical education through the state-of-the-art infrastructural facilities, laboratories and instruction
2. To inculcate industry oriented learning through industrial visits, internships, projects at industries, MOUs, to make students technically skills oriented
3. Creating conducive environment for higher education, employment and entrepreneurship through quality education, professional skills and research
4. To promote societal commitment among students by inculcating moral and ethical values

Mr.K.S.Ramanjaneyulu

Head of the Department
Electrical and Electronics Engineering

The Department of Electrical & Electronics Engineering encourages all the students of the department in conducting various curricular and co-curricular activities. It believes that apart from the academics, a student should build up his/her strengths and become a better citizen in the society. It also provides the proper guidance to the students to achieve their goals and fulfill their dreams.

The various events conducted in the Department of Electrical & Electronics Engineering are as follows.

MATLAB Session:

It is an event organized and conducted by the Department of EEE to all the II, III and IV year B.Tech students on 21-06-2019. The event found very knowledge oriented and the Matlab is the base software to design and analysis the circuits.

Enchanting Evening:

The department of EEE has planned an Enchanting Evening on 27-07-2019. All the students attended along with the faculty members. The event brought a new refreshment in the students which helped in academics.

Blood Donation Camp:

Blood donation camp conducted in the college by NSRIT NSS unit. Mr.P. Mahesh from EEE Department has monitored the event. The students of the department and the staff members donated blood.

Faculty Development Program:

Mr.A.Yellaji, Mr. K.M.M.Tarakesh, Mr. B.V.Veeranjaneyulu and Head of the department registered for one week FDP on RESTRICTED POWER SYSTEM MODELLING AND SIMULATION from 26-08-2019 to 31-08-2019

Cyber Mythri:

Mr.P.Mahesh, Asst. Prof. of EEE department accompanied the girl students to Cyber Mythri Awareness Program at AU conventional hall on 08-08-2019.

Best Practise:

- The NSRIT college has a best practise that the topper of the respective branch hoists the flag on Independence Day.

- The EEE department has got an opportunity in the name of Ms.K.Saranya of IV year hoisted the National Flag on 15-08-2019 (Independence Day) as she stood first among all the girl students with an aggregate of 8.76.

Signing MoU:

- The department of EEE has signed an MoU with CEMS (Centre of Excellence in Maritime & Shipping Building)
- Dr. R.S.R. Krishnam Naidu has attended for signing the MOU with CEMS (Centre of Excellence in Maritime & Shipping Building) along with Sai Varma sir & Dr. R.P.Das on 25-09-2019.

Parents meeting:

The department of Electrical & Electronics Engineering conducts parents meeting every month so that there will be good relationship between Parents and the department.
