CIRCULAR

This is to inform entire department mentors that 9.1 criteria of NBA is all about student mentoring from I year to IV year B.Tech. As per the guideline of NBA chief coordinators, we visited Mechanical and Computer Science department and verified mentor books. On finding some information in the books was incomplete and not updated, we informed to respective head of the departments and as for their guidance, we spoke with the mentors and gave them instructions. But now, as per the guidelines of Prof.Sarangi, all the braches must get their mentor registers ready which are reference of student and teacher interaction. So, all the mentors are requested to update your mentor registers by 25th July 2019 without fail and we will collect the registers on the same day.
