Report on

NSS Unit of NSRIT organized an awareness program on “NO VEHICLE DAY” on 22nd Jan 2022 at 3.00 pm to 4.30 pm at Gandhi statue, Block Volunteers and Teaching Faculty Members and Students along with college principal, Director, NSS students and coordinators along with program officer. Principal gave an about the uses of electrical vehicles and no pollution

- Dr.N.Prasad Raju garu, Secretary and Correspondent of NSRIT Autonomous College appreciated for Team work and their responsibilities
- Dr. M.A.Khadar Baba, principal of NSRIT College who admired all the student volunteers for taking responsibility and he appreciated Mr.S.Lovaraju, NSS program organizer and co coordinators
Mr. M.Madhansekhar, Mr.Premkumar, Mr.Divakar, Mr.Veeraihai, Mrs.Harikerethana & PD Mr.Dhilleswar for Organizing the activity for successfully from beginning to end.
- To raise environmental sensitivity and awareness among students about the vehicular pollution. To create awareness about global warming caused by fossil fuel burn and its impact on Indian economy. To encourage for using the bicycles and public transportation system in reducing the carbon footprints.
- t's became a fashion and trend to use the vehicles even for small distance by the society, mostly by the youngster. It feels ashamed and embarrassing to them to walk or use the bicycle.
- Being a science students we must understand the negative impact of fossil fuel on our planet and ultimately on our health. Therefore we should try to avoid the vehicles for small distance.
- To inculcate this habit college has made a rule for every student and faculties not to come in the college by vehicle on every Saturday. It will help somehow to reduce the poisonous gases exhausted in the atmosphere by the motor vehicles.
- We are mostly relying on the fossil fuel imported from the gulf countries to cater our energy requirements and our country is spending a handsome foreign currency for buying it. By practicing we can bring down our fuel consumption and save some bucks. This will help us to reduce the air pollution, keep us active, healthy and boost our economy.

INTERNATIONAL DRUG DAY on JUN 26-2022 Organized by NSRIT Autonomous

Addressing drug challenges in health and humanitarian crises”

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, is marked on 26 June every year to strengthen action and cooperation in achieving a world free of drug abuse.

And each year, individuals like yourself, entire communities, and various organizations all over the world join in to observe World Drug Day to help raise awareness of the major problem that illicit drugs pose to society.

Together, we *can* tackle the world drug problem!

- Do your part by sharing real facts on the drugs situation— from health risks and solutions to tackle the world drug problem to evidence-based prevention, treatment, and care resources in times of crises.
- More than 80 NSS student volunteers participated
- Dr. M.A.Khadar Baba, principal of NSRIT College who admired all the student volunteers for taking responsibility and he appreciated Mr.Lovaraju,NSS program organizer and co coordinators Mr. M.Madhansekhar, Mr.Premkumar, Mr.Divakar, Mr.Veeraihai, Mrs.Harikerthana & PD Mr.Dhilleswar for Organizing the activity for successfully from beginning to end.
- Dr.N.Prasad Raju garu, Secretary and Correspondent of NSRIT Autonomous College appreciated for Team work and their responsibilities
- In 2022, the world continues to witness widespread humanitarian crises in Afghanistan, Ukraine and elsewhere, while the COVID-19 pandemic is still a major global health crisis. The synthetic drug crisis also requires nimble and adaptable solutions. A growing sense of global community and solidarity continues to emerge, as does the need to care for all in times of crises.

INTERNATIONAL DAY OF YOGA

On 21st June, 2022

International Yoga Day:

Yoga refers to the act of dedicating one's consciousness to the inner soul, where one focuses on bringing peace between the mind and the body. The word 'Yoga' is derived from the two Sanskrit words 'Yuj' and 'Yujir'. In Vedas, they have the meanings 'to unite', 'to join together' or 'connection'. The word yoga means bringing peace and harmony to one by the act of focusing. According to Patanjala, Journal of Historical and Cultural Research, yoga is a technique to keep oneself away from disturbance and away from distractions.

History, Development And Origin:

The origin of yoga is traced back thousands of years ago when no religion or religious beliefs were inherited by humans. In the Vedas, the god Shiva is portrayed as the first yogi or Adiyogi, and the first Guru or Adi Guru. The Adiyogi passed on his knowledge of yoga to the Saptarishis or "seven sages". This powerful yogic science was carried by the seven sages to the whole world. They travelled to Asia, the Middle East, Northern Africa and South America and other parts of the world to impart their knowledge of yogic science. In the Indian sub-continent, the culture of yoga travelled through the sages Agastya, the Saptarishi, who drew this culture into Indian traditions. The beginnings of Yoga were developed by the Indus-Sarasvati civilization. The most renowned Yogic scriptures are the Bhagavad- Gita which was drafted around 500 B.C.E. The pre-Vedic period around 2700 B.C. has traces of Yoga. Then, the science of yoga landed on the classical stage, which was the time period between 500 B.C. to 800 A.D. Patanjali's Yoga-Sutras define the classical period. During this period only, the concept of Five vows – Pancha Mahavrata and Astha Magga or eightfold path came into existence.

Then, in the post-classical era, yogic developed Tantra yoga, which cleanses the body and the mind to help us break the knot which ties our inner soul to our physical existence. The modern period of yogic science began in the late 1800s and early 1900s. This period saw the contribution of various yogis to the development of Raja Yoga. Yoga is practised all over the world in contemporary times, to promote health and development of body and soul.

International Yoga Day 2022:

International Yoga day 2022 is celebrated on June 21 across the world. The concept of the International Day of Yoga was first proposed by Prime Minister Narendra Modi during his speech at the UN General Assembly in 2014. Later in December of 2014, UNGA announced that June 21 will be celebrated as International Yoga Day or World Yoga Day. Since 2015, International Yoga Day has been celebrated on June 21 worldwide.

NSRIT NSS Unit celebrated **International Day of Yoga** on **21st of June**, declared by offline event. The programme was attended by more than 54 members of students and faculty with great enthusiasm and happiness. The Yoga postures were guided by Sri **Ch.Dilleswararao** Yoga trainer like Mudrasana, Vrukshasana, Trikonasana, Surya Namsakar, Bhujangasana, and Pawanamuktasana and finally ended with Pranayama the prayers were also included in the programme.

Honorable Director Dr. J. Raja Murgadosh, NSRIT during his address stated that Yoga is the perfect way to rejuvenate the mind and make it to be happy. Respected Principal **Dr. M. A. Khadar Baba**, stated the benefits of Yoga and its uses and emphasized to learn in an atmosphere where there is discipline in thoughts and attitude. Secretary **Dr.N.Prasad Raju Garu** appreciated the NSS Programme Officer **Sri S. Lovaraju & Ch.Dilleswararao** Physical directors and NSS student volunteers for their team spirit. He encouraged the participants through his valuable words.

Heartful thanks to our Prime minister **Sri. N.Narendra modi** for giving a wonderful opportunity to colleges to have a useful activity. The college is also very much thankful to the NSS UNIT of JNTUK for organizing this under them.

International Yoga Day 2022 Theme:

The 8th edition of International Day of Yoga (IDY) will be celebrated with the theme "Yoga for Humanity". The theme for this year's IDY was selected after much deliberation and consultation. The theme "Yoga for Humanity" portrays how during the peak of the COVID-19 pandemic yoga served humanity in alleviating the suffering.

- Prime Minister Narendra Modi, while addressing an event marking the seventh International Yoga Day on Monday morning, said, "Today, when the whole world is combating the coronavirus disease pandemic, yoga remains a ray of hope."
- The Prime Minister also launched an Yoga app that will be available worldwide. "In collaboration with WHO, India has taken another important step. We will be launching the mYoga app which will have yoga training videos in different languages for people across the world. This will help us achieve our 'One World, One Health' motto," he added.
- This year, the theme is 'Yoga For Wellness'. Elaborating on it, PM Modi wrote on Twitter: "The theme this year is 'Yoga For Wellness', which focuses on practicing Yoga for physical and mental wellbeing."
