Report on

INTERNATIONAL DAY OF YOGA

On 21st June, 2022

International Yoga Day:

Yoga refers to the act of dedicating one's consciousness to the inner soul, where one focuses on bringing peace between the mind and the body. The word 'Yoga' is derived from the two Sanskrit words 'Yuj' and 'Yujir'. In Vedas, they have the meanings 'to unite', 'to join together' or 'connection'. The word yoga means bringing peace and harmony to one by the act of focusing. According to Patanjala, Journal of Historical and Cultural Research, yoga is a technique to keep oneself away from disturbance and away from distractions.

History, Development And Origin:

The origin of yoga is traced back thousands of years ago when no religion or religious beliefs were inherited by humans. In the Vedas, the god Shiva is portrayed as the first yogi or Adiyogi, and the first Guru or Adi Guru. The Adiyogi passed on his knowledge of yoga to the Saptarishis or "seven sages". This powerful yogic science was carried by the seven sages to the whole world. They travelled to Asia, the Middle East, Northern Africa and South America and other parts of the world to impart their knowledge of yogic science. In the Indian sub-continent, the culture of yoga travelled through the sages Agastya, the Saptarishi, who drew this culture into Indian traditions. The beginnings of Yoga were developed by the Indus-Sarasvati civilization. The most renowned Yogic scriptures are the Bhagavad- Gita which was drafted around 500 B.C.E. The pre-Vedic period around 2700 B.C. has traces of Yoga Then, the science of yoga

landed on the classical stage, which was the time period between 500 B.C. to 800 A.D. Patanjali's Yoga- Sutras define the classical period. During this period only, the concept of Five vows – Pancha Mahavrata and Astha Magga or eightfold path came into existence.

Then, in the post-classical era, yogic developed Tantra yoga, which cleanses the body and the mind to help us break the knot which ties our inner soul to our physical existence. The modern period of yogic science began in the late 1800s and early 1900s. This period saw the contribution of various yogis to the development of Raja Yoga. Yoga is practised all over the world in contemporary times, to promote health and development of body and soul.

International Yoga Day 2022:

International Yoga day 2022 is celebrated on June 21 across the world. The concept of the International Day of Yoga was first proposed by Prime Minister Narendra Modi during his speech at the UN General Assembly in 2014. Later in December of 2014, UNGA announced that June 21 will be celebrated as International Yoga Day or World Yoga Day. Since 2015, International Yoga Day has been celebrated on June 21 worldwide.

NSRIT NSS Unit celebrated International Day of Yoga on 21st of June, declared by offline event. The programme was attended by more than 54 members of students and faculty with great enthusiasm and happiness. The Yoga postures were guided by Sri Ch. Dilleswararao Yoga trainer like Mudrasana, Vrukshasana, Trikonasana, Surya Namsakar, Bhujangasana, and Pawanamukthasana and finally ended with Pranayamam the prayers were also included in the programme.

Honorable Director Dr. J. Raja Murgadoss, NSRIT during his address stated that Yoga is the perfect way to rejuvenate the mind and make it to be happy. Respected Principal Dr. M. A. Khadar Baba, stated the benefits of Yoga and its uses and emphasized to learn in an atmosphere where there is discipline in thoughts and attitude. Secretary Dr.N.Prasad Raju Garu appreciated the NSS Programme Officer Sri S. Lovaraju & Ch.Dilleswararao

Physical directors and NSS student volunteers for their team spirit. He encouraged the participants through his valuable words.

Heartful thanks to our Prime minister Sri. N.Narendra modi for giving a wonderful opportunity to colleges to have a useful activity. The college is also very much thankful to the NSS UNIT of JNTUK for organizing this under them.

International Yoga Day 2022 Theme:

The 8th edition of International Day of Yoga (IDY) will be celebrated with the theme "Yoga for Humanity". The theme for this year's IDY was selected after much deliberation and consultation. The theme "Yoga for Humanity" portrays how during the peak of the COVID-19 pandemic yoga served humanity in alleviating the suffering.

- Prime Minister Narendra Modi, while addressing an event marking the seventh International Yoga Day on Monday morning, said, "Today, when the whole world is combating the <u>coronavirus</u> disease <u>pandemic</u>, yoga remains a ray of hope."
- The Prime Minister also launched am Yoga app that will be available
 worldwide. "In collaboration with WHO, India has taken another important
 step. We will be launching the mYoga app which will have yoga training
 videos in different languages for people across the world. This will help us
 achieve our 'One World, One Health' motto," he added.
- This year, the theme is 'Yoga For Wellness'. Elaborating on it, PM Modi wrote on Twitter: "The theme this year is 'Yoga For Wellness', which focuses on practicing Yoga for physical and mental wellbeing.

CIRCULAR

In Continuation to earlier circular regarding placement training, the following points may kindly be noted.

- > There will be a diagnostic Test for the Students of III year on 28th November 2021 at 10.30 AM. The students have to attend the test positively.
- > From 30th November 2021 onwards between 07.00 PM to 09.00 PM there will be Placement Training by External Technical Resource persons.
- From 1" December 2021 onwards there will be a practice test (alternate days) in the online platform at 06.30 PM to 07.00 PM.
- The following are the batches:

11.15%

S.'No	· Branch	Batch	Strength
1	CSE	1	82
2	EEE, ECE	. 2	77
3	MECH	3	40
4	CE, MECH	4	38

> The following Coordinators are responsible for attendance & monitoring of students.

Mr. Srinivas (CSE) & Mr. Jani (CSE)

- Batch I

2. Mr. Sultan (EGE) & Mr. Mahesh (EEE)

Batch 2

3. Mr. Krishna Murthy (MECH)

- Batch 3

4. Mr.KrishnaMurthy(MECH) & Chanikya (CE)

Note: 1. The Training will be continued till further announcement.

2. HOD's are requested to read out the circular in III year class room.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING REPORT ON EXPERT TALK ORGANISED BY NSRIT IETE STUDENT CHAPTER

The Department of Electronics and Communication Engineering organised an expert talk through the departmental IETE Student Chapter on the topic "OVERVIEW OF TELECOM NETWORKS & GSM, BROAD BAND, MULTIPLY, FTTH", on 09-10-2021 in ECE seminar hall for a duration of 3 hours. It was organized with the prior permission from Honourable Principal Dr. M A Khadar Baba.

OBJECTIVES:

- > Advances in day-to-day communication
- > Latest applied technologies
- Opportunities for future and higher education

RESOURCE PERSON:

1. Dr. Suresh Kumar Gupta, Board of Directors, Director - (Finance), BSNL.

As per the instructions of Dr. B. Siva Prasad, HoD ECE dept., the programme started at 9:30 on 09-10-2021 in the ECE seminar hall with a welcome not by Mr. P.V.J. Raj Kumar, Asst. Professor (ECE).

The session was all about creating interest to learn and be familiar with latest technology by guiding the students and sharing the advanced knowledge and latest technologies which are being applied and are in working in day-to-day communication technology. A brief description has been provided by the speaker on GSM, Broad Band technologies and FTTH (Fiber To The Home). Significance of Optical Communication in modern day has been explained.

Finally in the Q&A session, there were questions raised about the feasibility of wireless optical communication for long distance.

The session turned out to be interactive and ended on a high note, 141 students participated actively in the session.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING REPORT ON GUEST LECTURE ORGANISED BY NSRIT IETE STUDENT CHAPTER

The Department of Electronics and Communication Engineering organised a guest lecture through the departmental IETE Student Chapter on the topic "TRANSFORMATION OF COMMUNICATION TECHNIQUES FROM OLD ERA TO NEW ERA", on 12-10-2021 in ECE seminar hall for a duration of 2 hours. It was organized with the prior permission from Honourable Principal Dr. M A Khadar Baba.

OBJECTIVES:

- > Introduction to Communication
- > Types of Communication
- > Evolution in the Communication Methods
- Communications Historical Time Line
- > Advantages and disadvantages of high frequency usage in modern day communication

RESOURCE PERSON: Dr. P. Mallikarjuna Rao, Professor, Andhra University, Vizag.

As per the planned schedule, the programme has been started at 11:30am on 12-10-2021 in the ECE seminar hall with a welcome note by Dr. B. Siva Prasad, Assoc. Professor, HoD (ECE).

The session started with the introduction to Communication and brief idea has been provided to students about different communication types, techniques and changes occurred in the communication from the beginning.

Finally in the Q&A session, there were questions raised by the students about the possibility of 6G in India and other advanced communication methods

The session turned out to be interactive and ended on a high note with 132 students actively participating in the session.

(Approved by AKTE, New Dehi II Affiliated to JNTUK, Kelenada, II An ISO 9001,ISO 14001 & ISO 40001 Centred institution)

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING REPORT ON ONE DAY WORKSHOP ORGANISED BY ECE DEPARTMENT

The Department of Electronics and Communication Engineering organised a one-day workshop "ML & DL using Python" organised on 29-04-2022 in ECE seminar hall. It was organized with the prior permission from Honourable Principal Dr. M A Khadar Baba.

RESOURCE PERSON:

The session started with a welcome Speech by Mr. Y. Sravana Kumar, Assistant Professor, Dept. of ECE, in the presence of Dr. B. Siva Prasad, HOD, Dept. of ECE. The event has been coordinated by Mr. Y. Sravana Kumar and Mr. K. Rajasekhar.

The lecture was focused on the key concepts related to machine learning, data learning and the participants received a brief overview of the following topics: Introduction to Python, Python Installation, Python Basics and Native Types, Functional Programming with Python, Introduction to Machine Learning, Future of Machine Learning in AI, Installing Anaconda and Jupyter, Overview of Numpy and Pandas, Understanding Machine Learning Algorithms, Introduction to Object Detection, Building a Face Recognition App. The interesting examples from around the world were the highlight of the session. Workshop was more informative.

The session turned out to be interactive and ended on a high note, with 90 students participated actively in the session and some of the students reflecting on their thoughts on how to implement their ideas using IOT to make world a better place.

Department of Management Studies

Webinar Organized by the Department of M.B.A on 30th October 2021

Topic : Role of Technology in Exploring the New Growth Markets and Opportunities

Speaker: Sri A.Lakshmi Kanth

Data Science manager

Tech Mahindra Hyderabad

Time:

3pm-4pm

The program was started with a welcome speech by the H.O.D Dr.V Bala, inviting the guest and giving a brief note on the Role of technology in Exploring the new growth Markets and Opportunities. Later on, Ms.Sreeja of second MBA gave an introduction regarding the profile of the distinguished guest.

These are some of points highlighted by the guest in the webinar.

- Discussed in detailed how people utilized the source of technology in 1980's for data collection and storage and its consequences, collection through manual procedures, and technology exploration by personal computers in earlys of 90 and how they changed the global market.
- Role of potential selling through RAM (Realistic Available Market) to increase the market shape, market size, and profit.
- Expansions in marketing, target marketing and opportunities using technology
- R programming significance: how to expand business by using plot technology and Time seriesAnalysis
 and how these are helpful to improve the floor space need
- Views on inventory management and manpower requirement, How much resources should berequired, when it is required, why it is required?
- Shared some points on incremental profit, productivity increase, revenue maximization.
- Thoughts on retention mechanism like volunteer acquisition, Non-volunteer acquisition.
- Market basket analysis, probability of purchase, ABC(All ways better control) and how it helpsto the business entrepreneurs
- Discussion focused on ROM(Return on marketing), customer retension, customer acquisition

After the lecture some students asked queries and the guest discussed them by giving suitable examples to validate.

The session was quiet interesting and informative for the students as well as the staff also. Finally

session ended at 4.10by giving a vote of thanks by Dr.U.V Subbarao

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

Report on "SAMBHAV - 2K21"

The Department of Electrical & Electronics Engineering, Nadimpalli Satyanarayana Raju Institute of Technology (Autonomous) conducted Guest Lecture "SAMBHAV - 2K21" on 18th November 2021. The resource person was Shri. GVR Naidu, Assistant Director, MSME-DI who has a good exposure in Entrepreneurship. The event was organized to spread awareness on Entrepreneurship development among students of the Electrical and Electronics Engineering department.

The main objective of the campaign is to familiarize the youth future entrepreneurs with the assistance and various schemes initiated by the Government of India, Ministry of MSME to help students develop the business ideas and set up their own ventures.

The event has been conducted for the EEE II, III & IV year, total 90 students and the Faculty, total 08 members. Mr. A. Yellaji, Assistant Professor has hosted the event. The Head of the Department has addressed the students as well as thanked the resource person for accepting the invitation for the conduction of the event.

Initially, the resource person motivated the students with their personal experiences and knowledge regarding the MSME businesses and explained briefly the overall idea of schemes available in India.

Dr. M. A. Khadar Baba, Principal of Institution also addressed the gathering with his wonderful words and suggestions for their career.

The session also involved a great interaction of students from all years of EEE with resource persons regarding various suggestions as well as showing their gratitude.

The session has been concluded by Vote of Thanks by Dr. RSR Krishnam Naidu, HOD, EEE by thanking Shri. GVR Naidu, Assistant Director, MSME-DI for making the event such a resourceful event and requested the faculty members to share their valuable wishes.

The Faculty members also shared their wishes and thanked Shri. GVR Naidu, Assistant Director, MSME-DI for his valuable suggestions to the students.

Webinar Organized by the Department of M.B.A on 20th November 2021

: Emerging Trends in Logistics & Supply Chain Management

Speaker: Dr. Venkata sai Srinivasa Rao Muramalla

Lovely Professional

University

Time: 3pm-4pm

The program was started with a welcome speech by the H.O.D Dr.V.Bala, inviting the guest and giving a brief note on the Role of Emerging Trends in Logistics & Supply Chain Management.

Later on, Ms.P.Pavani Assistant professor of MBA gave an introduction regarding the profile of the distinguished guest.

These are some of points highlighted by the guest in the webinar.

- Discussed in detailed on importance of logistics and supply chain management.
- Role of Adoptability management and how it focused on Hindustan unilever Ltd.
- Especially he explain Distribution channels adopted by HUL & PROTER AND GAMBLE
- He analyzed the entire functioning of logistics with the help of Case study.
- · Views on inventory management and manpower requirement, how much resources should be required, when it is required, why it is required?
- Shared some points on incremental profit, productivity increase, revenue maximization
- Discussion focused on Customer relationship management and Supply chain marketing analysis
- Importance of Strategic Purchasing and Adopting Procurement process of the companies with the help of Supply chain management.
- Overall outcome of webinar is focused on competitive analysis and Adoptability of Supply chain management by FMCG Companies.

After the lecture some students asked queries and the guest discussed them by giving suitable examples to validate.

The session was quiet interesting and informative for the students as well as the staff also.

Finally session ended at 4.05 pm by giving a vote of thanks by Dr. V. BALA

WORK SHOP REPORT

Industry oriented concrete technology Date: 20-11-21

A Three day workshop on Industry oriented concrete technology was conducted for the students of Civil II, III years @ seminar hall Block II on 20-11-21. All the students of II, III year were attended for this workshop. Dr. Jeyachandran, Vice president, Marudham group, the speaker explained the importance of the technologies on concrete and the main objective of this workshop is to identify and comprehend ideas connected to concrete technology, which includes the various types and properties of concrete as well as various adhesive materials and their critical application in the construction of safe and cost-effective structures. Students clarified their doubts regarding concrete technology and gained knowledge on it.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

REPORT ON CAREER READINESS AND CRACKING HACKATHONS AND IDEATHON TOWARDS OPPORTUNITIES* ON 27 JULY 2022

Department of Computer Science and Engineering in Association with CSI of NSRIT Guest Lecture on "CAREER READINESS AND CRACKING HACKATHONS AND IDEATHON TOWARDSOPPORTUNITIES" by Dr. P.E.S.N. KRISHNA PRASAD, Professor and Head. Department ANITS. Vishakhapatnam, on 27th July 2022 from 10:00 AM to 4:00 PM in seminar half of CSE Block-III.

All the students of pre final year of (CSE A, CSE B, CSD & CSM) participated.

Guest Speaker - Dr. Krishna Prasad discussed various issues relating to career planning and management like steps and process of planning, how to create an individual identity, tips for effective management and strategies to become successful.

Mr. Krishna Prasad, started the talk with giving a brief statistics on the current employability status of engineering students.

He highlighted the two main aspects for a student career growth that is

- Problem Generation
- Problem solving

which has become the core of the Guest Lecture.

He gave a vast explanation and awareness about the IT Sector category of jobs and the packages there are offering in these fields for freshers.

He listed the IT Sector jobs mainly into four categories three categories that is:

- → Service Sector Jobs
- → Product Sector Jobs
- → Start Up
- → Consultant

He also brought a vast awareness about the skills and knowledge that the student has to acquire before he attends an interview. He also thought us, how to introduce and communicate effectively with the interviewer in our interview.

He also discussed the most effective tips for building of our resumes to be the shortlisted one's among many.

The most effective part in this Guest Lecture is that, he has explained us about the coding skills in which the present market is divided. They are namely:

- High Code
- ^ Low code
 - Zero Code

And these are in turn further divided into many sectors which has been clearly explained by the resource person.

He has also provided students with many valuable websites and links for improving

- ✓ Coding skills
- Online free certifications
- Cracking competitive programming

- ✓ Aptitude skills
- ✓ Internships
- Free E-Books downloads.

He has briefly discussed, about the topics of Cloud Computing, Networking, Salesforce Trailhead, AWS educate programs, Web Development and App development,

It was a very informative and interactive session where students came to know about the career choices in different sectors of their interest. Students have raised many queries and they got clarified with the session regarding their respective career plantings and placements.

As per the feedback received from the participants it was a very good learning experience as the Resource Person helped them in their understanding about the career building skills and be also brought a path for the students to build up their careers in the right track.

CODEATHON CONTEST CONDUCTED UNDER CSI & ACM STUDENT CHAPTER ON 24TM DECEMBER, 2021

We the students from the student chapters of ACM & CSI have come forward to empower the students of 2rd & 3rd CSE students in bringing up a coding contest to build their skills and develop their analytical skills also. So we have conducted a contest named "CODEATHON" on 24rd December,2021 comprised of 5 programming questions including all the difficulty levels through the "HACKER RANK" platform as a floating contest within the time limit of 150 minutes i.e., from 10:30 am to 1:00pm in the morning session. The students have eagerly participated and competed with all other students showing their skills to bag the awards.

Number of students participated: 47

Winners are

- Sowmya Panda(19NU1A05A0) 3rd year
- Sushma Duggirala (20NUTA0528) 2nd year
- Aarthi Katta(19NU1A0540) 3rd year.

Organizers are

- 1. Ch. Rajesh
- 2. K. Sampath Reja
- 3. B.B. Uday Kumar Reddy

* 1/3/22

Greetings from RAIT-ACM student chapter where we are back with an amazing and exciting session on Data Visualization using R.This workshop will expose you to the current state-of-the-art technologies in Machine Learning and Data Analytics using R.

During this course, you will be able to

- Build and design solutions for complex engineering problems using R.
- Use modern tools and experiment with various parameters which will enable them to build projects.

Schedule:

Introduction to R.

Expert: Ms. Anita Patil, RAIT, Navi Mumbai.

Time: 9:00 AM to 11:00 AM. <

 Data Exploration and Modelling using agplot2 Expert: Dr.Bhusan Jadhav, TSEC, Mumbai.

Time: 12:00 PM to 2:00 PM. ~

3) Implementation of Prediction Techniques

Expert: Mrs. SoumiBanerjee, RAIT, Navi Mumbai.

Time: 3:00 PM to 4:30 PM. /

REGISTRATION IS FREE AND OPEN TO ALL

Link: https://bit.ly/DataVisualizationUsingR

E-Certificates will be provided.

As we the students of NSRIT have an ACM student chapter we are delighted to have this opportunity and those students who get registered will have an additional qualification. So, everyone is allowed to grab this opportunity and get succeeded in this workshop.

For further details and doubts in registration you can contact:

B. B. Uday Kumar Reddy (IV CSE) - 7659000792

P. Vijaya Lakshmi (IV CSE) - 9603883129

WORK SHOP REPORT ON **Building information modeling**

Date: 23-5-22

A Three day workshop on BIM was conducted for the students of Civil III rd year @ Apsado. lab on 23-5-22. All the students of III year were attended for this workshop. The main agenda of this workshop is to understand the software and know the importance in construction because it's a holistic process that can improve every aspect of a project. BIM enables design, construction and engineering teams to work together using digital technologies. This usually leads to better outcomes overall. All the important points are discussed in this workshop practically by using software.

> Head of the Department Dept. of Givil Engineering N.S. Reju institute of Technolog 1 Sontyam, Visakhapatin St. 50117
