DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

“Voice of Success -Virtual Alumni Talk Report”

The Department of Electronics and Communication Engineering organized The Voice of Success, Alumni Success stories by Mr.V.T.Avinash, Senior IT Analyst, Textron ,USA Alumni on 13-06-2021 through Zoom Meet. It was organized with the prior permission from Honourable Principal Dr.M.A.Khadar Baba and director Dr.J.Raja Murugadoss .

Introduction

Choosing a best engineering college is not just a final step towards success but ultimately striving well enough to get placed in good MNCs. So, To bring that awareness among the students, NSRIT had taken an initiative towards excellence and invited a very special guest Mr.V.T.Avinash, who we can proudly address as a student of NSRIT in the 2009 batch. Now working as Senior IT Analyst, Textron ,USA.

OBJECTIVES:

- Communication Skills.
- Higher Studies.
- Job Opportunities.

RESOURCE PERSON:

Mr.V.T.Avinash Senior IT Analyst, Textron ,USA.

As per the schedule by the Mr. B.Siva Prasad, HOD ECE dept., the programme was started on 13-06-2021 by 6.00PM through Zoom meet by the welcome note by Mrs.M.V.S.RojaRamani, Associate Professor(ECE), Dept. Alumni Coordinator, and addressing by Mr. B.Siva Prasad, HOD ECE, Dr. M.A.Khadar Baba and director Dr.J.Raja Murugadoss ,Secretary Dr. N.Prasada Raju and Treasurer Mr. N.Kanaka Raju.

The session was all about guiding the students towards better options after Graduation and skill set to observe while attending interviews.

During Graduation, it is very important to decide areas of interest while starting a career to get better opportunities around. The students were advised with different platforms like

Udemy, Edureka and many such where there is a lot of content available about different courses on different topics.

Also, the main focus was on how to prepare for upcoming opportunities like, starting to learn different programming languages, if interested for Software Industry. There are other options like starting to prepare for GATE, CAT, and other Post Graduation courses.

Despite the pandemic situation, there is no scarcity of jobs outside. Companies are still recruiting and people are still switching organizations. There is no opportunity small or big, its all how we mould opportunities towards building our career of interest.

A person should never feel stress for the work rather than they should feel that it is an opportunity to prove themselves to achieve goals which make them to compete with world.

Finally in the Q&A session, there were questions raised about the students for better planning and career which were well taken.

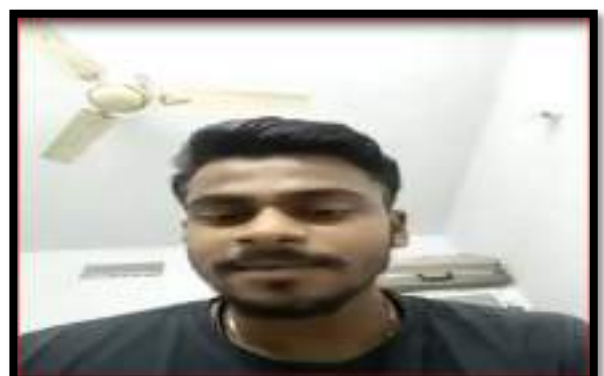

Students were enthusiastic about knowing what else they can do to grab better opportunities and were answered accordingly.

The session turned out to be interactive and ended on a high note.

More than 100 students participated actively in this session

.

Date: 20-06-2021**DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING****Report on "Voice of Success - Alumni"**

The Department of Electrical & Electronics Engineering, Nadimpalli Satyanarayana Raju Institute of Technology (Autonomous) has conducted an event "Voice of Success" on 20th June' 2021, from 10:00am till 12:30pm on Virtual Platform. The Alumni student is Mr. Vadavalli Chandra Sekhar, Scientist Assistant, IGCAR (Indira Gandhi Centre for Atomic Research). He finished his Diploma from Government Polytechnic College, Srikakulam in 2014. He joined UG in Department of Electrical & Electronics Engineering in Nadimpalli Satyanarayana Raju Institute of Technology in 2014. He passed his UG in 2017 from our Institute. He joined PG (M.tech) in JNTU-A in 2017 and passed out of PG in 2019. He got placed in IGCAR in 2019. He joined IGCAR in 2020 and is working till date.

Research)

The event has been conducted for the EEE I, II, III & IV year, total 90 students and the Faculty, total 08 members. Mr. A. Yellaji, Assistant Professor has hosted the event. The Head of the Department has addressed the gathering as well as thanked the Alumni Student for accepting the invitation for the conduction of the event.

Head of the Department, EEE

Gathering for the Event

The session has been handed over to the Mr. V Chandra Sekhar. He has introduced himself to the gathering. The session had been involved with the Alumni student experiences with his studies, suggestions for coachings like GATE, IES, etc.,. He also shared his knowledge on the books to be studied for various competitive exams like PSUs, Banks, etc.,. He also explained the

importance of UG/PG CGPA/Percentage in every student's career growth. He also discussed his failures on his path to reach success.

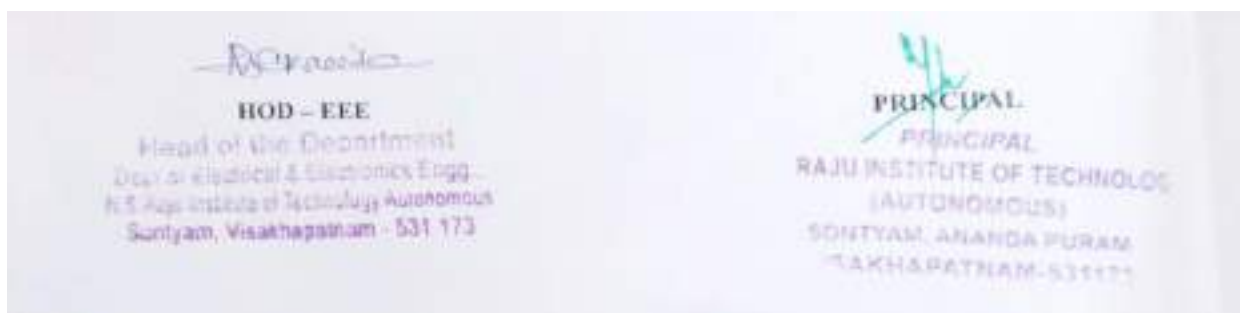

Mr. Chandra Sekhar, Scientist Assistant (IGCAR), Alumni of EEE, NSRIT.

Dr. M. A. Khadar Baba, Principal of Institution also addressed the gathering with his wonderful words and suggestions to the gathering to follow the steps of the “Voice of Success” for their career.

The session also involved a great interaction of students from all years of EEE with the Alumni students regarding various suggestions as well as showing their gratitude towards the alumni student's suggestions.

The session has been concluded by Vote of Thanks by Mr. RSR Krishnam Naidu, HOD, EEE by thanking Mr. V. Chandra Sekhar for making the event such a resourceful event and requested the faculty members to share their valuable wishes to Mr. V. Chandra Sekhar for his future.

The Faculty members also shared their wishes and thanked Mr. V. Chandra Sekhar for his valuable suggestions to the students.

1st online Virtual Alumni Meet June 27, 2021 (Sunday)

1st online Virtual Alumni meeting of NSRIT Alumni Association (NAA) was assembled on **June 27, 2021** at Zoom Platform.

In the meeting Mr. K Shankar Alumni Coordinator, Principal Dr. M.A. Khadar Baba, Director Dr. J. Raja Murugadoss, Treasurer Shri N. Kanaka Raju, General Secretary Dr. N.Prasada Raju, TPO Shri D.D.P.Varma and all HODs with Senior Teaching Faculty members around 65 members were present.

In the beginning Mr.K.Shankar Coordinator of NSRIT Alumni Association (NAA) welcomed all the members and requested Dr. M.A. Khadar Baba, Principal NSRIT for key note address on the college.

Dr. M.A. Khadar Baba gracefully welcomed all the members stated that Alumni are one of the prime stakeholders of educational institutions their input are really matters in future growth of the institute. He requested all the alumni members to keep in touch with their HODs of the Department and requested them to update their progress of their professional life and also said that Alumni feedback will definitely help us in designing syllabus and course work as per the present generation needs. Principal conveyed thanks to all alumni present in the meet for sparing their valuable time on behalf of NSRIT.

Dr. J. Raja Murugadoss directly pointed about principal views that students and Alumni are the complete backbone of the Academic institutions. He gave a brief presentation how the Alumni can contribute to this institution for spending of 4 years of life time at NSRIT. After sharing his views then he took them in to brief presentation related to the contribution of Alumni for the Institute like Internships, Assisting placements, Buddy referral, mock interview, expert talk(Voice of Success),Assessment. He Appreciated the Alumni who volunteered for accepting the invitation for conducting mock interview for the present final year students for Innovative support. Finally he concluded with the placement

Day celebrations information of 2021 with the EAPCET 2021 coaching and also NSRIT Techno Olympiad 2021.

Shri.D.D.P.Varma placement officer gave the overview of placement 2021 with his presentation.

Shri. N. Kanaka Raju appreciated all the Alumni who are attended to the meet and gave his version about the practices going in the NSRIT related to the Faculty development and student Academic improvements as well as Technical skills. he share his expectations to all the Alumni that whenever the situation permits Alumni are requested to visit the campus and share their thoughts to the students what the real world is expecting from a fresher's or a Graduate Engineers.

Dr. N. Prasada Raju, Secretary praised the Alumni who participated in the event and stated that for any institute Alumni are the key for the institutional growth and the appreciated all the Alumni for updated the institution pride. Our NSRIT students almost 3000 Alumni students are spreaded across the country.

Mr.V.Dhinakar Alumni of CSE Department conveyed his thanks to the management of NSRIT for organizing the auspicious Day. He share his memories on the college and also praised the teaching staff for supporting a lot for developing his carrier.

Ms.T.Varshini Alumni of CSE Department dispense her memories with the college as well she gave compliments to the NSRIT for her happiness in the college when she is studying. she conveyed one message to the students that the success comes for the students based on their interest and the practical work that the students do like attending Internships, workshops, competitions etc. she share her personal views regarding her placement that she got 8 offers at the time of relieving the college so she said that it is the identifying mark that how the college is supported her for developing her carrier.

Mr.Subham Raj Gupta Alumni of ECE Department initially posted his thanks to everyone for inviting him for this day. he appreciated the college for the supporting giving for development of the students as per present technologies. he expresses that he is 2015 passed out that he saw the drastic change in the technology and also based on the situations he also saw the drastic change in the college for improving the students technical skills when he visited the campus at the time of Autonomous inspection for Alumni interaction. Finally he stated that he felt lucky to be the part of NSRIT and also when ever our college needs support he will there with the NSRIT.

Mr.Pramod Alumni of CSE Department felt very happy for participating in the day. he shared his IT experiences that he got 9 years of experience and shifted 4 companies finally he is working with oracle as a cloud engineer. He shared his views that he is 2012 passed out that he felt tough for getting in to IT field at that time because of competition in the market. For getting in to the IT Company it is not having the technical skills but also behavioral skills, management skills and communication skills. He suggested to the students for getting certification on the technology looking forward to making as a carrier.

Mr.N.Dheeraj Alumni of CSE Department conveyed that computers are crazy subject and he was well known about the programming at his B.Tech level itself. He expressed his thankfulness for Mrs.Santhoshi Kumari for teaching programming subject in the good and understandable way. Finally he conveyed his gratitude as he is an Alumni of NSRIT.

Mr.Tejeswara Rao Alumini of EEE Department wished all the members who attended in the event. Currently he is working as Automation Testing Engineer at Accenture, he stated that along with the Education the students also need to participate in every activity in the college like Fest, Enchanting Evenings for improving technical as well as communication skills.

Mrs.Revathi Alumni of ECE Department showed her gratitude for inviting to this event. she suggested that student should also focus on the government jobs from III year and fourth year itself.

Mr.Kalyan Pavan Alumni of MBA Department appreciated NSRIT for gaining lots of knowledge from the college.

Mr.Shiva alumini of Mechanical Department shared his experiences in NSRIT and it gives him support for starting the startup company at his third year.

Mr.Ram Naveen Alumni of Civil Department working in Byjus company as BDA. he want to train the students of NSRIT who are interested in the sales Department as well as in other aspects like how to face the interviews.

Finally vote of thanks given by Mrs.J.Santoshi Kumari,Assistant professor,CSE Department and the event is closed with National Anthem.

2nd online Virtual Alumni Meet October 2nd, 2021 (Saturday)

1st online Virtual Alumni meeting of NSRIT Alumni Association (NAA) was assembled on October 2nd, 2021, at Zoom Platform.

In the meeting Principal Dr. M.A. Khadar Baba, Director Dr. J. Raja Murugadoss, Treasurer Shri N. Kanaka Raju, General Secretary Dr. N. Prasada Raju, TPO Shri D.D.P. Varma and all HODs with Senior Teaching Faculty members were present.

In the beginning Mr. K. Shankar Coordinator of NSRIT Alumni Association (NAA) welcomed all the members and requested Dr. M.A. Khadar Baba, Principal NSRIT for keynote address on the college.

Dr. Raja Murugadoss directly pointed about principal views that students and Alumni are the complete backbone of the Academic institutions. He gave a brief presentation how the Alumni can contribute to this institution for spending of 4 years of lifetime at NSRIT. In the presentation he talked about NAAC, Placement offers, Alumni engagement, Merit Scholarship Schemes, Online courses and online certification and about many more. He then concluded with thanking the institution and NSRIT Alumni Association.

After the Director's speech, the interaction between the Alumni started.

Sai Krishna Alumni of ECE Department shared his journey in with members in the meet. After his graduation he moved to BPO sector and in HSBC, parallelly while working he practiced JAVA and after 2nd half years, he got an opportunity in a software company. From then he has been working as a software developer in Vensai Technologies. He has been working there since five years as Business Intelligent Developer and he recently moved to Java as senior Java Developer, he has been doing both the works simultaneously. He also advised his juniors to plan well after the graduation either go for higher studies or get a job. He has been also planned for his Post Graduation. Then he concluded by saying thanks to the institution for giving him this opportunity.

Shrikar Alumni of ECE Department has shared his experiences after he got relieved from the NSRIT institution in the year 2015. He is currently working as

Lead Developer in Axentru Technologies. He first started off with a small level company which hardly had 300 to 350 employees. So, he started as Data Warehouse Engineer in Interdata and then switched to Data Engineering at Data Hadu and now he is in Data Science where he works in Data Science Consultants. He suggested his juniors to do other courses in online as there are plenty of opportunities for you. He advised to concentrate more on Data Science as there is a lot of demand for Data Science in the outside world. He is also doing his Masters in AIML from Upgrad. He then thanked the institution for giving him this opportunity to share his memories.

Sai Prasad Alumni from ECE Department shared his memories after he graduated from NSRIT institution. He shared a lot of things about placements and about how different companies look for different requirements, like checking the company website before attending the interview and all. He encouraged his juniors to work hard and not to get discouraged if you didn't achieve the goal you wanted to, just give it another try until you get it. These were his encouraging words. That was all from his side.

Mohan Alumni from Mechanical Department shared his views on his life has been after he graduated from NSRIT institution. He is currently working in Amazon. He also said about how the Mechanical students think that they will not place in IT Companies but that's not the case from him at all. He also added that there are a lot of job opportunities in IT Companies for non-IT jobs. He also said that there is no need to always start first in a small IT Company then you can switch to other companies, you can actually start at a big company.

Ajay Alumni from ECE Department who graduated from NSRIT institution in the year 2014. He shared a few moments for his memories. He got selected in VisionTech in a campus interview. Now he works in a Xilinx Semiconductor Company. He suggested his juniors to get a strong hold on basics of whatever you do, as basics of anything will help a lot. He also said to give best and be best in whatever you do, even if it is testing be good in it, if it is coding you be best in it.

Bhavani Alumni from ECE Department, she shared her experience on how difficult it was for her at the starting of her training period, how she was all frustrated and pressured on how to do these things. She thanked her faculty for giving her advice on how to stick on what you did for years, how the faculty advised her what to do after she graduated from the institution. She even thought a lot of times to give up on her career as she was struggling a lot and couldn't take it anymore. But she held on there and thought to herself that I shouldn't give up. She suggested that work hard no matter how hard it gets for you and never give up. She then thanked the institution for giving this opportunity.

Surya Alumni from EEE Department, he shared his memories on how he got placed. He is now working in Access Global Automation which is the core company for he studied for 4 years. He suggested the college to develop more lab facilities on different types of courses. He then thanked the institution for giving him this opportunity.

Supresh Alumni from EEE Department, shared his views on how his life has been after his graduation from NSRIT institution. He got relieved from the institution in the year 2018. He currently works as a Application Engineer in Access Global Automation. He was thankful to the institute for providing lab

facilities to their core subjects and how the faculty helped him in his hard times. As he works as an application engineer, he talked about robotics and how the company works on it. He then talked about how strong you have to be with your subjects, and no matter which side you go you have to learn automation, then if you want to go for IT Company you apply Automation to Java or Python or any other language. He then thanked the institution as he got selected in the company by an On Campus Interview. He showed us how he works there, this is how he works. With that he then thanked the Institution for conducting this meet.

Naga Suresh Alumni of ECE Department shared his experience about his journey. He got relieved from NSRIT Institute in the year 2019. After his graduation he once visited the institute and thought to himself that why he was not studying now. He met the faculty, and he was so impressed on how they treated him with same energy on the day he left the college. He said that no matter what type of engineer you become every engineer is important in the real world. He told how he never give up even tho he attended 64 interviews and in all he got rejected. Now he is working for HPCL Barmer Rajasthan Plant which is now of 40 to 50,000 cores project. He then thanked the institute for conducting this meet.

Shiva Rama Krishna Alumni from ECE Department, he got relieved from the NSRIT Institute in the year 2014. He currently works in TCS in New Delhi. He has experience of 6 years, in his past 6 years he worked in 3 MNC Companies. At first, he started working in LNT, he worked there for 3 years then he got switched to Samsung Manufacturing which was held in New Delhi. Then he got switched to TCS. He shared how different is every IT Company. Then he thanked the Institution from giving him this opportunity.

Divakar Alumni from ECE Department, shared his views on how the outside world is. He is now currently working as a Problem-Solving Infrastructure Engineer in HCL for more then 2 years. He shared how he got selected in 6+ Companies and how he uses to crack every single Interview he faced. The only thing he did is, he believed himself and thought himself to be confident enough to face anything. He got selected as a highest paid intern of 7 lakhs package from the institute. He also told how the companies select and what they require from this engineer and all they see is how confident you are and how your communication skills are. With that he thanked the NAA for conducting this meet.

Pavan Alumni from ECE Department, who got relieved from the NSRIT Institute in year 2020. He is now currently working in Tech Mahindra as an Associate Software Engineer. He said how he studied in Electrical Engineering and now he is working in IT Company. He shared his experience on how his batch was the last batch to spend every year in the Institute as after that the Corona has started. He also said how encouraging the faculty were in the Institute, how they used to do projects (like Electrical car, Robotics). Then he thanked NAA for conducting this meet.

After the interaction between the Alumni, our Secretary Mr. Prasad Raju thanked the Coordinator Mr. Shankar for conducting this meet, he basically thanked the covid situation as all the Alumni from different States and some even from Abroad can connect through. He thanked every Alumni by saying that they are the Institutes brand ambassador's as they have landed there footprints in every corner on the Country.

Treasurer Mr. Kanaka Raju gave this thanks to every Alumni who voluntarily came to participate in the Alumni Meet.

Finally vote of thanks is given by the Mr. Shankar Coordinator of NAA, HOD of CSE Department and the event is closed with National Anthem.

The following are the photograph attached in regard of the Alumni Meet.
