### Code of Conduct for Research

The foremost objectives of the Research Policy are as follows:

1. To strengthen the institutional capability for planned, technical, budgeting and control of all research activities of the college.
2. To build up required awareness regarding research in the faculty and students of NSRIT to create research eco-system.
3. To establish Research Centres in different disciplines as well as interdisciplinary Research Centre with importance on the recent advancements in the field of science and technology.
4. To persuade faculty and students to publish research papers and begin various research activities of academic significance.

### **Research Policy**

The NSRIT College defined a clear research policy and act as a structured guidelines for the faculty and students.

1. To conduct original research in the field of science and technology.
2. To be acquainted with the thrusting areas of research and give confidence to the faculty members to commence research in these domains.
3. To set up research collaboration with govt/private partner and academic organizations like DRDO, ISRO and CSIR to recognize probable area of research, surveys and other research enquiry.
4. To persuade faculty to obtain research projects from agencies like AICTE, DST, SERB, DBT ICSSR, UGC and other such institutions.
5. To recognize faculty members for leadership in the field of research and support them to undertake research projects and other research assignments.
6. To support funding for research activities and provide a suitable stage to the researchers to publish their original research and motivate them to find technical solutions to the problem of society.
7. To organize various conferences, workshops seminars and guest lecturer to develop right research skills among the faculty members and students.
8. To set up the required research facility and resources in the NSRIT College for the researchers.
9. To promote interdisciplinary research connecting more than one area of research.
10. To start all other such activities which will initiate research culture in the college and facilitate in creation of good research eco-system.

Self - Driven Activity

**Title of the Programme:**

An awareness programme on Intellectual Property Rights Under **Kalam Program for Intellectual Property Literacy and Awareness Campaign (KAPILA) & National Intellectual Property Awareness Mission 2.0 (NIPAM 2.0)**

**Date: 23<sup>rd</sup> Jan 2023**

**Venue: ECE Seminar Hall, Block-I**

**Resource Person:**

Name of the Speaker

Shri. Sreedhar Panchumarthi

Examiner of Patents and Designs in Intellectual Property Office,  
under Ministry of Commerce and Industry, Govt. of India

**About the Programme:**

On the occasion of the **75th anniversary of independence**, the Government of India has begun a mission to spread awareness on IPR among students under the scheme – **National Intellectual Property Awareness Mission (NIPAM)**. Intellectual Property Rights (IPR) are exclusive rights granted in the form of **Patents, Designs, Trademarks, and Geographical Indications**. This awareness program would **expose the students** of your institution to various types of IPR which will **ignite their intellectual thoughts** and motivate them to innovate and further transform their innovative ideas into Intellectual Property assets.

Participants: 169 students and 15 faculty members participated in the event.
