

Knowledge Resource Centre

INTRODUCTION

NSRIT is located in an idyllic environment near Simhachalam in Visakhapatnam. Though a Fledgling, the Institute has earned a place of esteem and the patronage of reputed business organizations. To make life at NSRIT pleasant and comfortable for its students, the Campus is provided with the finest facilities and educational resources, which is established in the year 2008. The Library is one of the important facilities well developed with Digital Library and Reprographic facilities. This is equipped with new library software which helps in systematic organization of the library. Students can easily find books through OPAC. Journal section and Reference section equipped with advanced journals is a special attraction for the library. The library is offering the following service.

Book Section and Procurement

The Books and Journals are recommended by faculty by using selection tools like books in Print, Trade Catalogue, Publishers Catalogue, Amazon.Com, and decision taken by the librarian. In case of general and reference books students

may recommend to the Librarian after obtaining necessary approval. Orders will be placed for procurement of books with approved vendor.

Classification Scheme

The Library has adopted Dewey Decimal Classification (DDC 22nd Edition) scheme, which has been widely recognized by International Community.

Locating the Documents

Books are arranged according to call numbers on the shelves. OPAC Facility has been provided to assist the users in locating the materials. The Users can access the database through Author, Title, Accession No., Department and combination of Author ,Title and Publisher.

Arrangement of Books

The Library has adopted open system. The Books are arranged as Text Books (Issue Books) and Reference Books (only for Reading) The books acquired are accessioned, classified . After processing, the list books are displayed for 15 days and these list is labeled as "NEW ARRIVALS".
