

Feedback Mechanism on Curriculum and its reflection (AQAR 2023 – 2024)

As delineated in preceding Annual Quality Assurance Reports (AQAR), the institution employs a meticulously delineated mechanism as an ongoing endeavour to enhance the curriculum. The intricate procedure of assimilating and contemplating curriculum enrichment has been comprehensively expounded upon in antecedent AQARs, complete with illustrative graphical depictions. Presented herewith are the corroborative documentary evidences attesting to the reflective enhancements embedded within the various academic programs.

PROCESS

Stakeholders: Academicians, Employers (industry), Potential Employers (Industry), Research Organizations, Alumni, Professional Bodies (Practicing Engineers), and Senior Students.
