@10:30 am Onwards

Student Development
Program on
NDT

NON-DESTRUCTIVE
TESTING

Speaker:
BALAKRISHNA,
QC INSPECTOR

ASME
American Society of Mechanical Engineers

SAE INDIA
Society of Automotive Engineers INDIA

Conclusion:

In this Student Development Program (SDP) the resource person mainly focused on Non Destructive Testing (NDT), applications, methods and how it is useful to the Mechanical applications.

Sincere thanks to the Management, Director and Principal for giving us an opportunity to conduct this SDP and help the students to get awareness in this.

Dr. P.N.E. Naveen,
Assoc. Prof & HOD.
