DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

OUR INDUSTRY DOESN'T RESPECT TRADITION  
IT ONLY RESPECT INNOVATION

## VISION

To promote societal empowerment and become an institution of excellence in the field of engineering education and research.

## MISSION

- To develop the students into outstanding professionals through innovative Teaching-Learning process.
- To uphold research through long term Academia-Industry interaction.
- To inculcate ethical standards and moral values.

## ABOUT DEPARTMENT

The department of Computer Science and Engineering was formed in the year 2008. The department has started B. Tech programme with an initial intake of 60 in the year 2008 and 120 from 2010 onwards. Two new programmes CSE (AI & ML) with an intake of 30 and CSE (DS) with an intake 30 are approved by AICTE in the year 2020.

The department has 22 qualified teaching staff with 6 Ph.Ds. , 16 M.Tech. The faculty members are involved in research activities and presented papers in national and international journals and conferences.

## HOD'S MESSAGE

It is a pleasure to be the head of the department of CSE. The department has a team of experienced and motivated faculty members who are in process of tuning the young minds to make them globally competitive. Our department is committed to provide students with academic knowledge & also train the students to face the challenges in life by providing many value added courses to enhance their career prospects.

The excellent infrastructure, teaching faculty of the best kind ensuring quality education such as interaction among students, parents and staff, along with a Training and Placement Cell ensures a bright future to its students. I wish them all success.
